Technical Review Committee - Expression's Of Interest

The Regional District of East Kootenay and the East Kootenay Conservation Program are seeking interested individuals to volunteer for a five person Technical Committee to make recommendations on allocating \$230,000 annually for conservation projects for the area from Canal Flats to Spillimacheen. Travel expenses will be covered for those who require them. You do not need to live in the Upper Columbia Valley to apply.

Please submit a resume and include a covering letter that provides:

1. Contact information including name, address, phone number and email address.
2. Your area of technical expertise. To be on the committee you must have knowledge related to at least one of the following conservation fields: water, fish, wildlife, habitat, or open space and natural area conservation.
3. Length of term you desire – one, two or three years.
4. Any special or unique circumstances that you want us to consider.

Applications should be sent by December 15, 2009 to:
